Dear Father,

I arrived here safely yesterday and found the Captain anxiously awaiting my arrival to make out from the muster rolls for new recruits that have come in since I left.

I forgot my pen, please send it by George in the morning also send some more old bed clothing by George if you have any as I like the old quilt better than a blanket and when George comes he will want the quilt himself and as we do not sleep together now I would like to have one too and any thing you think I would want and you do
not want or need at a time
as I can send them all back
