Dear Billy

Just a line to let you know that I'm still alive and doing fine. Since I came back from my leave I've been in charge of all the work details in a big drill hall. They call it the Master At Arms. I like it fine but it isn't going to last for I'm to report to the Out Going Unit the 21st so that means it won't be long now and I'll sure be glad for I want to get going and get settled. Nadine & Dickie are here in Chicago. We spent last week - end together and are going to Kenosha tomorrow night then I hope I get to spend one more week-end with them. I think I'll send them home next week and have them stay there till I get stationed.

Have you seen Dad lately?

Tell him you heard from me and to take care of himself.

How are you folks getting along and what are you doing?

Write and tell me and I'll tell

you all I can about what I'm
doing.

Tell Helen and your other Sister-
in-law hello for me and ask them
if they've been doing any marching
lately. Ha! Ha!

How is your Dad getting along?

How are Nick & Chuck getting
along and what are their addresses.

I've sure been having a good
time on my week-ends. The first
one we went to Chicago and had a
big time dancing etc. The next one
we went to Kenosha and had a big
time there doing about the same thing
then we went to Milwaukee and went
on a "Hay Ride" which ended up in
dancing. Last week-end we went to
Chicago with Nadine & Dickie.

Well old top I must close for I have
a lot of letters to write so write soon.

Your Old Pal.

Leo.
