Dear Bill:

Please excuse me for not answering your letter sooner as I've been sick since two weeks ago today, was in the hospital three days with strep. throat and flu. Should have stayed till tomorrow but I wanted to come home. Am coming along ok but am terribly weak. Was one sick gal. They all tell me I lost weight, that doesn't make me feel bad as I had a few pounds I didn't know what to do with any way.

I called Pop yesterday he said Irene and the kiddies had gone out to the farm for New Year Emma's Mother and Father and brother was there. Guess they must spend all the Holidays in Carroll.

Well kid, how do you like

the Navy by this time? Have
some Snap shots taken of your-
self and send me some. I want
to see how you look in your
uniform also with out your
mustach (Guess that's the way
to spell it)

Alley is in there blowing his
nose, sounds like he might
be getting something.

Had a wire from Chuck telling
me he received the Ham and
thanks a million. Haven't heard
from him since. Guess as long
as we don't hear he must
be alright.

Edit called tonight to see how
I was. Said Donna Joan went
back to Chicago this morning.
By the way did you receive
your box from Ida. Be sure to
write and thank her for it. I'll
enclose her address. It will
please her, if you do that.

Well Jim goes back to school
tomorrow It will seem kinda
quiet around here for awhile
But he will make up for it

when he gets home.

We are sure having grand weather, not one bit of snow and not very cold. Hope it stays this way for awhile.

Imagine it is rather cool when you are on the Lakes.

Well then I'm kinda tired so will close hoping to hear from you again soon.

Best regards from Alex and George. And oceans of Love from me.

As always
Your Loving Sis
