Dear Carole,

d I remember you asking me if I played football. Yes, I did play in high school! And I do enjoy playing very much. I believe I had you confused as to what I meant by oiling my rule, or my 120" oil change. Being De-Damage control, men like ship carpenters. There for I work with a folding carpenters rule which requires oiling every 1,000 hours. Can't oil my day! not for another twenty to thirty days.

Just out of curiosity how far do you live from the San Fernando Valley?

Take later

Love, Paul
