Camp 10<sup>th</sup> Ind Cav Near  
Pulaski Tenn May 27<sup>th</sup>

Dear Father

You will be somewhat surprised to hear from us at this place but we are now it begins to look some like we were in the army - We left Camp near Nashville at 2.30 A.M. Wednesday Morning and arrived at this Place 3 P.M. yesterday -

We came through on the R.R. This place is 87 miles from Nashville - On the N. & Decatur Road we are 18 miles from the Alabama line -

We came through Franklin and Columbia and several other places noted as there having been battles there since the War broke out - We are not very

from the front now - Our  
Army left here about 2  
Months ago - This is called  
the best part of Tennessee  
if so I dont want to see  
the worst part the Country  
is all worn out and Citizens  
Discouraged and every  
thing seems to be stopped  
- Putaski is a small pleasant  
-ly situated place about the  
size of Columbias Ind but  
not near the business done  
there - Richland River  
runs through here every  
thing above a spring stream  
is called a River -

Why is it I dont hear  
from you I have had  
but two letters from you  
since I left Columbus  
I expect a lot when they  
do come - the probably

is that we will stay here  
some time but I can't tell  
we may go farther South  
tomorrow - I tell you there  
is a difference in the way the  
Sun comes down here than  
in Indiana - There are troops  
going to the front every day  
on the R.R. and in great  
numbers too - Yesterday I  
saw an Illinois Regiment that  
had been mustered out they  
were direct from the front  
they say Sherman will take  
every thing before him and that  
Atlanta will be ours in a short  
time - You can see by the  
map where we are - I  
wrote you twice from Nashville  
once from Bowling Green and  
twice from Green River once  
from Salt River and once  
from Louisville I don't know

you received them all or I  
certainly would have heard  
from you, all it wants is  
the Regt and Co directed  
plain on it and it will come  
through. I think we have  
got one of the Best Colonels  
in the Service there is not a  
man in the Regt, but what  
would do anything for him  
He dont drum at all and  
he tells the boys that he is not  
a bit better than a private  
and he thinks as much of a  
Private that behaves himself  
as he does of a Capt. I will  
close now. Write soon love  
to all the Boys are all well  
I am perfectly well again  
Direct to me at Pulaski Tenn

Yours aff Ori
