Dear Father

I have not received a letter from you since I have been in this office and that was on the 24th of July I don't understand it but I will write you again to night at any rate -

I wrote Helen a short letter this morning and sent it by morning mail - I like my place here very well better than in the company although I do more work here in a half of day than I did in the company in a week and I feel better for having some thing to do I have better health than did Our office is crowded all day long with all kinds of persons and all have different complaints to make If you have never had any thing to do with a General Provost Marshals Office you have very little idea what their duties are one comes in contact with every citizen for 24 miles around here and of course makes a good many Acquaintance also a good many Friends and Enemies We have now in Our Prison over 30 Citizens awaiting trial for being Guerillas and Harboring same we shipped

Twenty to Nashville Yesterday (Sunday) for trial there
this country is full of Guerrillas and rebel spies.

I suppose you have heard that we were coming
to Indiana to vote they say at 16th hrs that we will
go if they do not need us any worse than they do
now and there is a report now that we will
go by Land to Kentucky to hunt Guerrillas around
Columbus and Henderson until election and then
go over and vote in that way we will save our
Horses and that is just what we want to do
I wish you could see my Horse ^{he} is real hot now
and looks like another Horse I intend to
take him home with me if it is possible -

I have a good prospect now of being promoted
to Seryt Major of the Regt a very good place
it is the best Non Commissioned Office there is
it is on the Col. Staff the duties are to assist the
Adjt and take his place when absent the
present Seryt Major has been promoted to Adjt
and he wants me to have the position of Sergeant
Major it is a very hard place but then it is good
in the line of promotion and I think I will
take it if I can get it - I suppose Sam
Rensley is at home and has told you all

the news from the Regt I was glad to see
Senn get away and he may get his shoulder
cured up at Madison but I fear not Uncle
Dare ~~McClure~~ (as one Boyo call him) promised me
he would call and see you I find a good
friend in him in fact I have found several
good friends in our Regt and the 9th Ind
Lt Col Gresham Maj Swallow and Maj Williamson
of our Regt will do any thing for one that
they can I only wish Col Gresham was Col
instead of Pace - Dr Davis also is a good friend
of mine and I can get any thing I want
from him. I suppose D. C. B. has arrived home
by this time he stayed here some four or five
days he made us a sketch the night before
he left and it seemed like old times to hear
him again Ted Robinson came here with
him he looks well with the eagle perched on
his shoulder - I send you with this a
list of the Officers of our Regt I dont suppose
you will know many of them by the way
I met a friend of Genl Starkweathers by the
name of Cameron last Wednesday night
he left Milwaukee Monday night he said he
was well acquainted with Bessmerth & son

and the family he says they were well
when he left he seemed very glad
to make any acquaintance and said
he would tell them about us when he ~~came~~
got back home but I must
close now it is late

Good Bye
