DEAR MRS VASOS,

Since I don't know Bill's address, other than Little Creek - I'll write you a page, & him a page, and let you forward his to him, or both of them, as you prefer.

I sincerely hope and know that you and the new member of the Vasos household are getting along fine - and I want to express my sincere appreciation for knowing such a family. Crossing the party barrier of religious creeds - we're all the children of one God and one Master Jesus Christ - some - many of us refusing to acknowledge him - many taking the Devil - many just riding "in between" -

but all coming from & returning
eventually for judgement to the
same eternal Lord. I am proud -
I say it honestly - I am extremely
proud to have been privileged
to have spent the time I did
with Bill - & to learn of a
family who are not afraid to
live their religion every day as they
do on Sunday morning - the world
is in very great need of more of
it. I hope & trust that God
will again privilege me to
continue my association with
Bill - and I know, as you do
also - and have a comfort in know-
ing as do you - that wherever he
goes - whatever he does - Christ
will lead him back to you
& his "kids" - & some sweet, and
not too distant day - we can
all perhaps spend some time
together. I should like very
much to meet you sometime
you and those "fine" kids that
Bill is so very proud of.

Well - good luck - and hope
I may hear from you sometime
soon

Love
