"Splendid Progress of the College"

College Day at State Convention

7/28.27

Made progress.

You have wanted us to build a good institution of learning

We have gone forward in harmony.

This day must act quickly -

Started late - Should have 20 year

Could then have gone at slower pace

See necessity - that as a Nation - must give attention to development of the spiritual in life of people

Men - thoughtful men - are insisting upon this

Must keep pace

I have been desirous to see
the product of our College — just what
kind or type of work was it doing
judged by the results.

I am happy to tell you that
I am delighted with it — perfectly
so.

This is a Christian College and
the result must show that the
students have been taught not
only the ethics & principles of the
Christian religion, but a knowledge
of Jesus the head & founder.

Upon hearing some of these
students talk after ~~being~~ spending
four years there & being graduated
I am thrilled with delight. They
had not only ~~an~~ a good un-
derstanding of the ~~philo~~ facts & philosophy
of the religion of Christ but an
~~[illegible] with~~ intimate acquaintance

of him. They had an intelligent understanding of Jesus even more had formed such close personal relation that they were supremely happy in knowing Jesus so well & their faith in him was unbounded

Many have a faith in Jesus, & it is a blessed thing that it doesn't require great learning for one to have trust & love him; but if one is to be a teacher & preacher these days he must have knowledge not only knowledge of the life, teaching & spirit of Jesus, but of the opposition to Jesus & Christianity
