Our College has grown to be a real institution — one we are delighted to talk about.

It was so long a dream with our people.. This desire to establish college in which to ed. our young people & prepare them for service in the C. & in the world became a passion

Well remember in So. Cal. Convention some years ago. Offer — Scene

This spectacular expression of the deep longing for an ed. program

Those of our leaders who had forward look & that embraced the most of us, realized our loss. weakened

Knew if we were to carry on our great program — that of presenting our plea, must have leaders

Well, we have that institution & it has been established on sound financial & ed. basis

Location — ~~M~~ Buildings — No debt

We have entered on new & untried field & I, as others have been a little anxious

Induction of Dean B.

Been commended in highest terms by Dr. Von Kleinsmid, Dr. Baird & Dr. Moore

Delighted to have this expression

The Nation's leading ed. are turning with deepest interest to the discussion of value of the Chris. College. of Chris. ed. I have received a number of books recently & papers on this very subject. — could quote —

All setting forth in strongest terms the value of Ch. College.

It seems we have anticipated or at least been abreast of this new movement.

Necessity of Leadership in any great program or enterprise

Rapid growth of ~~S.~~ Cal. referred to by all speakers demands this

Bro. S. in quoting some said "the Key problem is

The product of the West, devel. & ed.
right here.

The Church get better results –
This continually growing more pronounced

Men in business have found the most efficient employees those they train in their own way –
This will be our experience in Ch. work.

Best investment

Great task - our task - Prepare leaders
Need preachers - leaders

Has been my desire to develop spiritual

Have fine equipment for physical

For intellectual -

Cordial relation with Cal. U. - Admitted our students when classes closed.
~~Dean~~ Been eight years in K. before recognition

Give your Cordial support - not only financial but moral

Don't sit back ready to criticise - Have attended Dem. meeting with that spirit
Don't be suspicious - Woman at F. after service said come I see you believe in Jesus
You can restrict its influence
Can ruin character of woman in your town
Some Prof may ~~not~~ something you would not assent to.

~~Some~~ didn't agree wholly with great address last night. Y

Don't worry about us departing from fundamentals, or failure to indoctrinate in our plea

Want to develop great leaders - who will
see new beauties & new meaning in Gospel
Seems in no age since apostles has any
man been able to grasp all truth

As a people have seen part of Com. & understood - Not fully comprehended.
Jesus said - "Teaching them to observe
all things, etc" - Taught much. ex. precept.
Long time before understood "Go"
Just learning "stewardship" Talks show a longing in
Other Great teaching - Rotary

We want y. people at College to get right
