My Darling -

Hi Hon - hows my little gal tonight. I'd like to give you a great big kiss about right now. I got a nice letter from you today hon boy they just make me love you so very much. You are a very interesting little gal hon and it just makes me itch to get back to you. I'll tell you why. Because I'm in love with you honey and only you. I can tell right now once and for all that you are the one and only for me forever and forever. I'll always love my sweet little Angel,

One of the guys from our office was about 10 hours late in getting back off his 3 day pass, so I don't know what he will get. I'll let you know.

How are all the rest of my Darlings. Give them a big kiss for me and tell them we'll have lots of fun when Daddy gets back home again. Soon I hope. Still haven't heard anything yet. Boy I look and look but nothing doing so guess we'll have to be held in suspense for awhile. I am so glad you told me that you would be alright and would wait for me even though I don't get it. It's nice you feel that way how - It's really a lot better that way.

After chow tonight came down to the barracks and cleaned out my locker and straightened it up. Also pressed 3 sets of Blues so have things pretty well lined up. Then I went out and took a good shower. I really missed you being there. Boy you could have washed my back and everything. Do you think you would have gotten a thrill Hon? Bet we could make it interesting don't you? Then I sprinkled myself with some of your favorite talcum and laid up in my bunk and read and let my mind wander back to you and thinking what I would be doing if I were only there.

Boy just let me be there and there
is lots of things I would be doing.
One thing I know that is the most
important of all is I would have
you in my arms and holding
you so very tight and kissing
you a million times or more.

Well, my sweet Honey I must
close now and hit the sack alone -
dorn it. But just wait till we can do it
together. Oh Boy - how.
