Dearest Darling-

Hi Honey. Have all my wonderful family this Christmas Eve. Sure wish I was with you. I've been listening to the radio all day and all those songs sure bring memories to me. Last night after I wrote you. I made my cot up and lay down and listened to the radio until about 1 o'clock. There was sure beautiful songs. After hearing Ave Maria I went peacefully asleep and woke up about 6:30.

We didn't do much today. Nobody felt

much like working. After dinner I had the afternoon off so I undressed and laid down and as I lay there I thought of those other Sunday afternoons when I used to doze off and how you would come in and awaken me for supper. I'm waiting for all that to really happen to me again someday.

I awoke about 4 o'clock and washed up and went to 5 o'clock mass and then went to the movie. Then came down to the office and visited and played penockle until it was time to go to midnight mass. So I'll finish this when I come back.
