Dearest Darling-

Hi Honey do you know what? I think
you're swell. I also want to tell you
that I'm very deeply in love with
you. My honey is sure terrific just
thinking of you makes my blood
pressure go up about 90 degrees. Boy
I wonder what it will be when
I put my arms around you and
enjoy some of those wonderful
kisses packed with T.N.T. that you
will give me. I hope it isn't too

far off because I'm plenty lonesome
for my honey. Boy how you all I
need - just like a tonic for me.

Darling you have a very understanding
and trusting soul wanting me to enjoy
the sights and everything. I thank you
for the thought hon. I wouldn't think
of doing anything to spoil our beautiful
life together. My Darling is too precious
for that, and besides there just could not
be anyone else but you. Darling
I believe you must be right in
my blood. I don't mind it a
bit either.

after work tonite went to chow. Had
mashed potatoes, meat balls & spaghetti,

I was really glad to hear that you have a good appetite and really feel swell.

I went to the show at 6 o'clock and boy hon don't miss it. The name of it is "Three is a Family". Tell Pop if he wants a good laugh to see it. I'll bet Don would like it too. It is all about 3 women. One already has twins and the other two are going to have a baby and they come to live with mother so they can meet their husbands in Norfolk. You ought to hear the sailors holler when they mention Norfolk in the picture. I got a kick out of that stuff because I went through it. Not exactly like they did but you get the idea.

Boy it was really cold here today. It started to spit a little snow. Probably wont last long though. It would sure be swell to have you next to me keeping me warm as toast like you used to do hon. ah ahmm.

Well darling Its almost 10 oclock so I will say nite nite Angel. Remember I Love you. I Love you. I Love you. more than anything else in the world.

I Need You
