Hello my Darling -

I have been thinking of you so much. Just the thought of you and the happy times we had together while I was home makes me feel just swell. I think I can last another six months if I can be that happy again. My honey is just the best little gal in

this whole wide world.

Boy how did I ever have the mail waiting here for me. There was 5 from you, 1 from Russ and a cord from the choir and several papers, a cord from Bud. I did a lot of reading to catch up on them. Now I can look forward to your letters again please keep them coming how as I want to know every little thing that's going on. I guess I'm sort of a curious guy don't you think?

What have the kids been doing. I have a better idea of the routine around home now after being there for so long, so when you tell me of the happenings I can just picture them and how everyone looks. Boy how you know we have a really swell little family and we will all be so happy when this war is over. Do you still want to be cashier how if we

can get a little place, I'm sure we could make a go of it.

Have you decided on whether you will work at the club yet. It might do you good hon - if you think so it's O.K. with me. You don't have to you know.

Well Darling take it easy and remember I Love you. I Love you. I Love you.

Always
Your Bill
