Dearest Darling -

Hi Hon - it is now 11:30 so I'll say hello and I Love you before I hit the sack. I have to shove yet too. After supper I went to the show and then came over to the office and played rummy, until just awhile ago.

I received your letter of Sunday this morning and sure glad to hear from my Honey.

I'm surprised to hear it's so cold out there cause it's sure

been hot up here.

I got up at 6 this morning and sold papers. It's just for 3 days while the other kid is on a 71.

There are 4 fellows selling them each sell 125 papers then your done. This morning I sold them in about 15 minutes but tonight it took about an hour. I even made a 5 cent tip - the first one since I left the club. I will get \$5 for it so I can get you and the kids something with it.

Tomorrow morning at 9:30 we have inspection and then I'll be off until Monday morning. It will

give me a chance to get my washing done and ironing. By the way how does your iron work?

Jerry called up the office tonite but I was in the movie. He just left a message that he was shoving off in the morning. Wish I could have seen him.

Honey kiss the kids for me and say Hon I hope you have a lot to tell me when I get home. I'll be all ears. Nite nite Sweetheart. I Love you. I Love you. I Love you. How is it Hon ???
