Dr. Cary Deck is Next on Economic Science Lecture Series, Feb. 6

**LECTURE**

**Friday, February 6**

**Wilkinson Hall 116**

**ESI/IFREE Lecture Series**

**Cary Deck, Ph.D.:**

*Sequentially Pricing Multiple Products:*

*Theory and Experiments*

**4:30 p.m. (reception will follow the event)**

Dr. Cary Deck is an associate professor of economics and chairs the Behavioral Business Research Laboratories in the Sam M. Walton College of Business at the University of Arkansas. Dr. Deck's work focuses on economic system design, including electronic markets and pricing strategies, as well as individual behavior such as risk attitudes, arbitration strategies and cooperative behavior in games. His research has been supported by grants from the National Science Foundation, the National Institutes of Health, and the Federal Trade Commission and has been published in *American Economic Review*, *American Law and Economic Review*, *Economic Inquiry*, *Experimental Economics* and *Journal of Law, Economics and Organization*, among others. Since receiving his Ph.D. from the University of Arizona in 2001, Dr. Deck has also been a visiting professor at the University of Melbourne, Georgia State University, and at the Economic Science Institute at Chapman University. This event is presented by Chapman University's Economic Science Institute (ESI) and the International Foundation for Research in Experimental Economics (IFREE). Admission is free. Information: 714-628-2830 or [www.chapman.edu/esi/IFREE\\_lectures.asp](http://www.chapman.edu/esi/IFREE_lectures.asp).
