Theatre Department Presents Thornton Wilder's *The Skin of Our Teeth*

Who/What:

The Chapman theatre department presents its production of Thornton Wilder's Pulitzer Prize-winning play, *The Skin of Our Teeth*.

The play gleefully represents the episodes of war and pestilence the Eternal Human Family encounters as it careens past the catastrophes of the Ice Age and into the darkness of the Apocalypse.

Brimming with farce, satire, burlesque and moments of magic realism, the play takes the audience on an emotional ride with loops of laughter, wonder, thoughtfulness and confusion.
