Darling lover,

I got your sweet letter of the fifteenth today, and a postcard from Dolly too, from Georgia. The postcard was dated the 18th. That isn't bad the way the mail has been coming. I hope mine is coming thru' to you a little better now honey.

I've never read the book, "Magnificent Obsession," but I saw the movie. Oh darling it's going to be grand to spend some of those cold evenings reading. I read quite a bit now, but it's more fun when we're together even tho' we might sit the whole evening without talking. I'm always so happy just to be with you.

There was a couple of inches of snow on the ground this morning when I got up, but it's nearly all gone now. We've had a pretty mild winter so far, and it suits me. Spring isn't too far off now, and it's going to be a beautiful one darling 'cause we're going to be together. There are so many things we'll want to do we won't

Know where to begin. Oh lover it will be so wonderful doing everything and going every place together. I'm so proud of my darling wife. You're such a cute sweetie and a sweet cutie, and I love you more and more each day.

I had to laugh, in one of your letters you said you had just cleaned up the house, and you wished I could walk in, and see it, but it would be just your luck to have me come home when it wasn't so clean. Honey I never saw our little place when every thing wasn't just gleaming, and if it weren't I doubt if I'd notice anyway 'cause I'll be so busy feasting my eyes on you I won't be able to see anyone or anything else. I've missed you so Sweetheart, and I'm thankful that most of our separation is behind us, and it won't be too long till we can walk into each others arms, and stay there.

I hope the new generator took care of the trouble. You haven't said any more about it so I'm hoping that means it's OK. In fact I hope the car doesn't give you any more trouble at all. It's tough to have to fool around with a balky car when you're working every

day. We'll have some swell rides when I come home darling. Remember how we used to debate on a Sunday afternoon whether to go to a show or take a ride so we'd usually end up by going for a ride in the afternoon, and taking in a show at night.

Oh darling we have so much to look forward to. You're such a precious darling to come home to, and I'm just existing till that happy day.

All my love and millions of hugs and kisses to the dearest and sweetest and darling-
est and best wife in all the world.

Your own,
Jack
