Dear Mother & Father:-

We have been accepted and assigned to companies. We expect to stay here for at least a week. We get up at 5:30 in the morning and have various drills until 11:30 when we go to dinner. After that we drill until 5:30. After that we are through and may go to the Y.M.C.A. where they have entertainment of some kind, such as boxing, playlets etc. They also have movies here for the amusement of the soldiers. The eats here could be no better, and all you can eat, no rations.

Out of the bunch that came here with us from "Chi," some two hundred, about half were rejected. However, young Gleason and I went through like tops. We got our uniforms this morning and were inspected by about a dozen different officers to make sure that everything was a good fit. Thus far we have been sleeping in beds.
