Dearest Margery -

This is the first chance I've had
to get a line to you and it must be
brief. I'm fine and things go nicely
for all of us. I'm now with an
evacuating hospital. Have been
frantically busy and have had the
opportunity to do a host of major
surgeries and feel that I'm again
doing something that really counts.

Had my first night's sleep in a
week last night & am rested again.
Also got a bath & shave today
so I'm a new man again. When
you write tell me how the war
is going - we're too busy to hear
any news!!

Write the family for I haven't a
moment to write them now -
I love you dearly - Send a kiss
for Frank also.

Allen
