Mr. Henri Temianka  
34 Edwards Avenue  
Sausalito, California

My dear Henri:

Your favor of April 2nd, is before me and I have given myself the pleasure of writing two letters--one to my friend and colleague on the International Olympic Committee, Hon. Francois Pietri, who happens to be the Ambassador at Madrid from France at the present time; the other to my colleague, Dr. Jose Pontes, who is President of the Portuguese Olympic Committee.

While they may not be of much service to us, it is well to have them interested, or at least have them investigate and report to me.

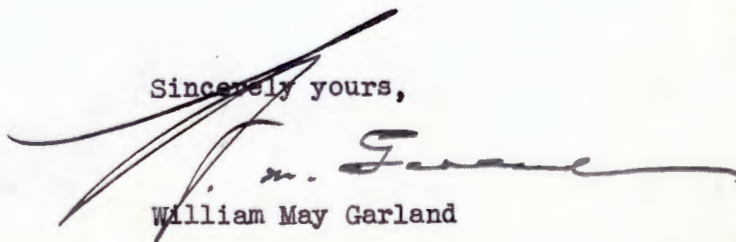

If they can't do anything - why that's that. If they can they may be of really great advantage. I have approached them as carefully as I dared under the circumstances. They are both good friends.

I am sending these letters air mail so they will catch the clipper to Portugal and be promptly delivered in Lisbon and Madrid.

I do hope that we all meet together again in the "Land of Happiness" at Bohemia in July. It certainly will be the renewal of a pleasant experience to have you and Alec playing together once more.

Kind regards.

Sincerely yours,

William May Garland
