UNITED STATES ARMED FORCES - VIETNAM

19 Aug

Hi Pat^h, what's happening?

Here I am again & louder than ever I'm still yelling "Short". Maybe one day soon I'll be able to yell "Done" - real soon too!

I'm sitting up all night with Duty - sounds like fun doing it. Kind of lonely though - sitting here all by myself & no fun what so ever.

I did go over to the mess hall a short while ago. So I can sit here & eat my sandwiches and get fat. My peach & cherry pie as well.

you talk about all those
girls with round eyes &
me seeing them again. It
may be weird but I'm
looking forward to it
anyway - you too. I think
if I see anyone with
stunted eyes I am going
to do them in on the
spot. "Perhaps you had
best check yours out
before I see you again"

Well Patti I'll close
for now - so see you
soon

My Love,

Steve

You talk about all those
girls with round eyes &
me seeing them again. It
may be weird but I'm
looking forward to it

if I see anyone with
slanted eyes I am going
to do them in on the
spot. “Perhaps you had

Well Patti I'll close
