Sweetheart,

you said you wanted me to write you or rather type you a note I haven't time in the typing room, but I do have time here in study hall so I am going to write you a little note. Gosh I wish you sitting here next to me instead of this goof. He always brings me magazines to read. I think that he kind of likes me, but don't worry Darling, "I only have eyes for you."

I had such a good Sun. Honest, it seemed almost perfect. And I didn't get the devil either. My dad asked me if I had a good time, and where we went and then he said that you fellows must have spent plenty of money. But, sweetheart, just hang with you would make my evening perfect, because I guess I love you so much that even if we didn't spend anything I still have a grand time. I do hope you feel the same way. I guess you do, because you have told me often enough and I believe you.

Last nite I stayed home and was listening to the radio, I heard Jean Harlow & Robert Taylor in Madame Sans Gene. Gosh that sure was swell. Did you hear it? Were you listening to the Radio last nite? Bing was over from about

I showed some girl your picture and she
thought that you were adorable. (so do I)
Gosh these five and a half months

With all my love
