Dear Sis.

I thought I would drop a line to tell you that I arrived O.K.

Our bunch was split up, but I am with 4 fellows from Burb. anyway so I have plenty of company.

I am assigned to Co. A. 339th. Field Artillery but I may be put in the Engineers, of course I don't know as yet, though I think I will like it where I am. We are placed in quarantine now for 2 weeks, and we are not allowed to see any of the older men until we are taken out of quarantine. I don't think I can give Gult the doughnuts until I get out.

Say we sure got some feed when we arrived, we had every thing and all we wanted. We have not been examined yet but we may^{be} anytime, but we will not get our uniforms for some time yet.

We received two blankets and one comfort so I did not need to take a blanket from home but it.
over.

was better not to run chances.

I want to thank you all for the things you got for me and done for me. Do not worry about me for if I get this good feed all the time I will put on some meat.

Say, I may send home some things that I do not need, so you might get a package anytime.

Say, tell Minnie and Anna to write to me anytime because I will like to hear from them.

I am sitting on my cot listening to the graphophone and scribbling this letter. Say Sis this Camp is some huge. It is a regular city. Well when I am up here a few days I can write you a real letter. Tell Rob that I said hello and that I will write to him soon. so I will close for this time with my best regards to you folks and Minnie and Anna and all my friends.

Your Bro.
