Dear Simon Dad & all:

Well he's been busy for a couple of days so I haven't written. He's been sending you more & more mail than anything else since it goes there so fast. I started on the Nellie yesterday & something very important came up so I didn't get it finished till today. I got 5 letters today 1 from you, 1 from Ruth, 1 from Mrs. O'Brien & 2 from Nellie. Ruth didn't mention you getting 7 roses for Valentine's day from me in her letter of the 17th & Nellie's didn't either so I'm wondering. Several of the men have heard that theirs are delivered on the 18th O.K. I hate for things like that to be late. I hate this about you giving her towels for Valentine's day - Did they have Mr. & Mrs. on them & if not why not? We feelin' though she sure appreciated them. I thought of you too & I sent the flowers even if you didn't get them on time.

all my love
Kathleen
