My darling Sweetheart

How is my dear Sunshine  
feeling to-day? Hope feeling fine & in the best of health

I was just up to see the  
Doctor, my foot is getting along fine & I am feeling  
pretty good. Yesterday the cap on my tooth came loose  
& to-morrow I will have to go to the Dentist  
& have it cemented in again.

This part of the country is a  
big difference from down around the front, the  
weather is fine not too cool or too warm & very  
little rain. and the scenery is quite pleasant  
big Oak & Chestnut trees & we have board walks  
here too, Also outside on the road you can see  
a trolley car pass once in a while going to town.

I don't know when I will  
get the chance to go to any town to try and  
get my dear a Christmas gift so don't be disappointed  
if you don't receive one dear, I cut a little

clipping out of the Spiker, a paper I get once  
in a while. Pub. by Eng. of U. S. A. I could not  
explain it to you as good as it is printed there  
but it is a fact so use your own judgement.

What do you think of all the good news  
in the Papers of late? It certainly looks as if we  
will be coming home soon, Don't it? Let's all  
hope so.

Last night I saw some Movies at the  
Am. Red cross hut 1 Comic & 1-3 reel O Henry picture  
they were very good. A couple of nights before  
I saw Charlie Chapman on Easy street, they were  
the first I seen in France. How is your new  
Brunswick machine getting along have any more  
trouble with it. Never mind dear when I get  
home we will have them all working overtime.

I will now close with bushels of  
love & kisses & best regards to all  
Your loving sweetheart

P.S. Charley  
will try & have my picture taken if possible  
I will write to J. Holder some time this  
week.
