Dear Mrs. Calkins:

The Army Effects Bureau has received by mail from overseas the Last Will and Testament of your son, Lieutenant Norris Kenneth Calkins, and it is probable that his personal effects will be received here in due time.

If you will be so kind as to confirm the accuracy of the above address, I will forward the will to you. Upon receipt of any other property of your son, application and affidavit forms will be mailed to you for completion, in order that the effects may be forwarded in accordance with existing regulations.

For your convenience in replying there is inclosed an addressed envelope which requires no postage.

Yours very truly,

Carl H. Essert
