Dear Carole:

Yea I do so very well know what you mean when you say come home to no mail. I really didn't mean to stop writing, But I had figured with you seeing this other "squid" that you'd not care for me to write.

I'm glad to hear other wise.

Carole, now hold on wait one. Contrary to the popular belief the all sailors are scum bags and rank I'd like to say this for the benefit of the individual. And being an individual I like to say that I am partial to individuals like you.

You know while I've got it on my mind I'd like to say that if its at all possible I'll have to, well I'd like to see you some time. But even if it were possible its in the far future.

No c's been since the first of Aug since I've heard from him. But I guess he's still picking or I'd s-hear different.

Last night I went to St Louis and saw those San Francisco Giants beat our Cardinals. Can't win them all, But did we have to lose both?

Laugh, no. Nurses
