Dear Sis,

I received your letter and also the cake and candy and I want to say that you are the best when it comes to baking cake. I gave a piece of it to a fellow from Minn. who bunked by me and he said it was the best cake he ever ate. Say Sis I want to thank you folks for the things you have sent me.

I am going to send home my suitcase with some things in it because we got rid of them. I think we will be going overseas some of these days but you folks shouldn’t worry. I will let you know in time when we move either by telegram or letter.

Say Sis I had my mug snapped and I will send them home when I get them. Give Anna & Minnie each one and you can keep the rest or do what you want with them. I was with Al Aspelmeyer this evening, for we are out of quarantine now and we can go where we please. Ok says hello to all. Well Sis I will close for this time with best regards and wishes to all.

Your Bro,

I am going to send home my suitcase with some things in it because we got orders to get rid of them. I think we will be going over some of these days, but you folks shouldn’t worry. I will let you know in time when we move, either by telegram or letter.
