Darling,

I'm sitting here this morning or rather afternoon as you see, dearest, it is 12:25, so it's afternoon already.

Honey, did you know that Fern was July 4? I'm going to try to get out of going to Cleveland at least until Tues. But darling what are we going to do those days and where are we going. For my part we don't have to go anyplace. I would just be content to be just with you. But darling, I was just figuring things out and honey, we may not need people now or not want them around now but honey there will come a time when we want company and people. but you know if you would

know you would do the same

about Fri. night honey, don't call  
me up. I'll manage to be in the Park  
between 7:30 + 8:00, so if I'm not  
get there by 8:30 you will know I  
couldn't possibly get away. Then call  
up to the house about 8:35 or 8:40,  
and I'll give you the reason. But  
I'm pretty sure I'll get out, so  
watch for me.

and in the meantime you figure  
out something for July 4 + 5. In beyond  
that point I can't figure any more.

Well so long sweet until  
to-morrow or rather to-day, I  
mean to-night.

yours always  
Evelyn

go to Toledo or someplace like that  
we could make new friends and start  
everything new.

But, sweetheart, no matter where  
we are or what we do we will  
always know that we belong to each  
other. So no matter what happens,  
sweet, that pulls us apart always  
be true to me and I'll do likewise.  
Always wait for me, because I'll  
always come back to you, no matter  
how long it takes because I'll  
never find anyone I could possibly  
love any one as good as you and  
have anyone love me as much  
as you love me. Because dear, love  
means sacrifice and you know  
that I would sacrifice anything  
in the world for you and I
