Darling,

I'm sitting here this morning or rather afternoon as you see, it's 12:25, so it's afternoon already.

Honey, did you know that Dem was July 4? I'm going to try to get out of going to Cleveland at least until then. But darling, what are we going to do these days and where are we going? For my part we don't have to go anywhere. I would just be content to be just with you. But darling, I was just figuring things out and honey, we may not need people now. I don't want them around now but honey, there will come a time when we want company and people. But you know if you would...
I know you would do the same for me.

About Fri. night I hope, don't call me up. I'll manage to be in the Park between 7:30 and 8:00, so if I'm not there by 8:30 you will know I couldn't possibly get away. Then call up to the house about 8:35 or 8:40, and I'll give you the reason. But I'm pretty sure I'll get out so watch for me.

And in the meantime you figure out something for July 4th. I don't know that point. I can't figure any more.

Well so long sweet until tomorrow or rather to-day. I mean to-night.

Yours always

Evelyn

...go to Toledo or someplace like that so we could make new friends and start everything new.

But, sweetheart, no matter where we are or what we do we will always know that we belong to each other. So no matter what happens, sweet, that pulls us apart always be true to me and I'll do likewise always wait for me. Because I'll always come back to you. No matter how long it takes, because I'll never find anyone I could possibly love anyone as good as you, and have anyone love me as much as you love me. Because dear, love means sacrifice and you know that I would sacrifice anything in the world for you and I...
