Hello Dear:

This letter will have to be more or less a quickie because of the little time I've had to myself today. I must say though that the two letters I received today were about the sweetest of all - thank you Dear. Yes I do liked to be teased and hope you do tease me when I am with you. Don't forget I too can tease. I don't know what the h--l make the time drag so but just think, a week from tomorrow I expect to be with you.

No Dear I don't think too much of your statement that you think of me too much - you should think more of me. Conceited aren't I.

Have to close Dear - will write two tomorrow instead. Weather here cold +10°F and very windy. A fond Good-night Darling.

Love as always
Walter

P.S. Please forgive me for the hurried letter.
