" WITH THE COLORS "

Camp Logan Apr 5<sup>th</sup> 1918

Dear Folks:

Received your welcome letter some time ago but was unable to answer sooner as we are working night & day getting ready to move. It is some job to get all the junk that a regiment has, packed. We have inspections by the general & his staff about twice a week & it keeps us humping to keep all of our equipment & clothing in shape. We are fully equipped & are ready to move at a moments notice. Our regiment is the only one in the division that has been kept in woolens. We had

to turn in our dress shoes  
& khaki clothing while the  
rest of the division was issued  
new khaki. We are getting prac-  
tically no sleep working un-  
till as late as three o'clock  
in the morning & getting up  
at five. It is impossible to  
imagine the ammount of  
work that must be done  
before a regiment moves. Even  
now I am stealing time to  
write this letter as I am  
supposed to be working down  
in the corral

Was glad to hear that  
you invested in a car  
as I think you need one

& for my use when I get back, ha ha!

In regards to the citizens unit I think it is a very good project & probably does lots of good. Am returning you the type written sheet in this letter.

As time is short & no further news I will close with love  
Yes.

Please excuse pencil writing
