Wells Darling:

It's 4:00 A.M. and my first day at work. I'm glad I'm back at work as I know that I would be much too lonely if I had nothing to take up my time. I'm hoping for a letter from you today which will make me feel less lonely. I wonder if you feel as lonely for me as I do for you - I hope so.

To date we have over 40,000 hours without an accident - about 5,000 hours more than any field has had previously. I think that speaks well for the boys here. I have five more ships assigned to me but no more men to maintain them.

It's a lot of work but my flight isn't griping - there's a bunch of good mechanics and good boys.

Try not to work too hard Mom, you've got to take care of yourself for me. By the way Dear how is our problem coming along. I sincerely hope all is well

for you tonight. Honey I won't be able
to call you on the phone this week end
because I'm kind of short in the financial
department. I'll be thinking of you especially
about mid-night. I would like to know
whether you miss me a little or very much.
It's got to be very much Honey or else I
will be sadly disappointed.

Can't possibly tell you how much I
miss you in a letter so Darling please
read between the lines. Sweet dreams
Moms

Love

Wally
