Sweetness:

The words to "Love Can Be Dreamed" are true and you must realize I mean them. I'll always cherish this letter of yours - always - it's the first letter telling me you love me and must have me. All I can say to it is that my sentiments are exactly the same. Honey is trying to write the same kind of letter as you've written me but I can't seem to put in words how deep my love for you is. No "butterflies", please Dear! There is no need for that, you mistrust me when you love them.

Being with you was the most wonderful part of my life and only a lifetime of such an existence will satisfy me now. I know it's a true love Darling because, here in a world of stark reality and

no emotionalism, I have a  
empty and longing feeling for you.  
a feeling that makes me want  
to share your happiness and troubles.  
I'm getting mad trying to put in  
words the beautiful dream in my  
heart - read between the lines Mom.

a little about today. Worked  
from mid-night until 0830 and  
then was scheduled for a 0900 flight  
to Spokane and Seattle but the  
flight was cancelled due to bad  
weather. Will not go tomorrow as  
I have a man who lives near  
Spokane and he wants to see his  
mother & I had.

a beautiful morning to you  
my one weakness and one sweetness  
and many kisses like arrows  
tipped with love to reach your heart  
deeper and deeper each time

Love

Wally
