Dearest,

I got your letter this morning and was still in bed when I read it. It sure is nice to read letters in bed especially yours. Now it is 12:30 and I'm answering you already. I know I could wait till to-morrow to answer but I decided I'd like to answer you right to-day and then I wouldn't have to worry about it to-morrow. Just think, Honey, a week ago and I was all anxious because you were coming in. I have a date to-night and one to-morrow night but I think I'll break the one to-morrow night. The fellow I'm going out with to-night is pretty nice. I don't where we are going though. I bet your mother is tickled to death when Genevieve is there with her. Gosh I sure would love to meet her. Do your niece ~~remember~~ remember me at all, I doubt it. Boy they sure are nothing like my children. It was not no two minutes after they had their that it was all eaten up and the paper & thrown away. Sandy was just playing with my feet. He's trying to take off my shoes and tickle my feet. He's so adorable.

Gosh, honey, I didn't know you were that lonely. I don't want you to feel that way. I want you to go out and have a good

would you want me to do? Shall I phone you? By the way you had better be home Mon. evening or else — I'll reverse the charges because I haven't even that much money to pay for that telephone call.

What part of Cleveland were you in. Boy I sure do miss those Sunday trips. And those weekday trips with Stella I sure do miss all of those good times. Gosh that is sure too bad about Stella's father. I know just what she is going through. I went through the same thing about three years ago.

My mother died from the same thing. Boy will you do me a favor a tell me what Ben's son's name is. After all I would like to know what my nephew's name is. I don't even know.

What a matter kid are you getting nervous in your old age. Spelling a bottle of ink for no reason at all. I'm really ashamed of you. Where are your nerves.

So you are going to get a suitcase eh? are you getting ready for your trip to Detroit? Gosh. and here I was going to come to Oberlin for Labor Day and now you comming to Detroit. Well what's the difference as long as we are to-gether.

I got a letter from Isabel and she

time. Why don't you go to one of the dances maybe you would feel better if you did. Take out a couple of girls. You can't sit home all of the time or else you will go absolutely nuts. And I wouldn't want you to do that. Do you want down to see Jim? What did he have to say. Does he still go for Esther in such a big way? How often does he see her now? By the way did you see my dad and my step mother while you were there? If so what did he have to say to you? Those pictures I told you about one of you and of you and me. I want all of them that are in the bag of us. Jim knows what I mean and he knows where they are you ask him about them the next time you see him. He might have sent them by the time you get around to seeing him again.

Gosh I sure hope that your job hangs on at least for a month longer. If not, are you going up to the Art building for a job? Why don't you go up there now? Maybe you could get a job now and you could work straight through till your uncle comes to Detroit and then come along with him and you would have that much more saved up. Listen honey what if I should answer an ad for you and then you would get an answer. What

said that Bing got slashed in his pay and she says they are so far away from getting married that she could scream. Now about us, we are so far away from each other I could scream. It must be pretty bad when she says they can't go out much. In a way I feel sorry for them because they are used to going out. But I guess everyone has their bad breaks. I suppose they will be getting married just as soon as he gets a half way decent job. I bet if Bing came here he would get a job very easily. I was just interrupted for my lunch. We lunch on the installment plan to-day. Catch as catch can. We had Solimi sandwich. Tomatoes + cucumbers, chocolate cookies and pop. Pretty cute hey wot? I just stopped to finish this before I do the dishes. If this isn't long enough I'd better write you a book also I'll send you 4 billion kisses is that enough?

yours,
Evelyn.

P.S. Say hello to your mother, dad, Chuck, Bill Genevieve + the kids.
