"WITH THE COLORS"

Camp Stevens Mass,
May 12, 1918.

Dear Sis, -

Just a few lines to tell you I received your package and I want to thank you folks for it. I sure am putting you folks to a lot of trouble ain't I, but if you folks get tired of it I don't want you to go to too much trouble for me. I will soon be going out of the Old U. S. A. and it will make a lot of trouble to send stuff to the other side and chances are the things might get lost. Did you get my letter with the dollar in it? I thought I would let you folks get ~~it~~ for me, because you can save me 12 cents on a bar, and that means a whole lot to a soldier.

I want to say Sis that I received a box of candy every week from

Help your Country by Saving. Write on BOTH Sides of this Paper.

Amanda and I feel as though I am a beggar. Did you give Amanda one of my pictures yet? By the tone of her letters she has not received one yet, for she wanted me to send some sort of a picture to her, which makes me believe that she didn't get any. I want to give her one on account of her sending me all this candy, otherwise I wouldn't bother about it.

Did you folks get that pennant yet? I sent it a week ago, I guess it went astray. Say Sis I will send a picture of the Company pretty soon. I think you folks would like to see what kind of an outfit I belong to.

I, and Will, and Al. are cumming together now, for they are out of quarantine, ~~now~~ and we can go any where now. It is pretty nice and it is sure some luck that we are together.

We will go over together only we are in different Companies. Say Sis I am sure getting tired of this place, I mean that you see the same thing every day

which makes it monotonous, otherwise it is alright. Say Sis I am glad that you got the deed alright, for that is one worry off of my mind. Say Sis if you are figuring on sending any more stuff I wish you would take the money you invest in cake and send me some cheap smoking tobacco, because I will tell you why. We are allowed .75 lbs in our barracks bags which includes all of our clothing and equipment, which will weigh 75 lbs. and which will allow us 25 lbs for extra articles. You see Sis the most scarce articles over there is tobacco and soap so I figure on taking these things. I wish I could take more for I say Sis you got em all skinned when it comes to baking cake and I will sure miss it when I get over there. You know Sis I am only

giving advice on what to send, but
beggars can't be choosers. They say
that tobacco is 40¢ a package over there
or 40¢ per ounce. Some expensive
smoking isn't it. Just think there
is no soap to get across the creek so a
person sure is out of luck if he hasn't
any when he gets there.

Well Sis as this is Mothers day
I thought I would write to you and
Rob. We sure got a bunch of visitors
in Camp today, I guess they are
relatives of the new drafted men, for
2,000 came in a week ago.

I hope it doesn't catch Rob, but if
they keep on I guess they will get
him. It ain't bad when you get used
to it, you sure get enough exercise
anyhow. The men in the East seem
to be all short fellows, the people all
look when they see our gang from the
West for nearly everyone is a 6 footer.

Well Sis I guess I will cut this
hot air out and close hoping that
you all are well.

Your Bro.
Pete W. F. Lindstadt.
