Dearest:

Ho-hum, just got up and experienced a sweet surprise. One of the boys got my mail for me and who did I get a letter from - you Darling. What do you mean by asking whether you can make love to me - just keep on it's a lifetime job for you now and I won't let you get away from it either. Darling I may not be with you in person but always in mind and a spiritually that's how I will be with you. Whenever circumstances permit I will be with you in person of course. Don't stop or miss writing to me Dear even if it's only a "I Love You Dear."

Don't hate to tell me your troubles because your troubles are my troubles too. I feel like a heel now that you have to go through this

trying experience. I find a consolation  
clear in that we can and will have  
children. Now we know for sure  
but it's a tough way to find out.  
Take care of yourself Mom, I'm coming  
to you as soon as possible.

The boys have been teasing me  
and won't believe I'm not married.  
I must have a love sick look  
pretty much in evidence because  
I never told anyone I would get  
married.

Yes Mom it's the same with  
me. I need your love and you.  
I'll do my damndest to keep you  
and make you love me. Lola is  
right Darling. It probably won't  
be too long caring for each other as  
we do.

Must get ready for work Honey  
so will kiss you "Good-night" and  
wish you could snuggle in my arms.  
Love - a brimming heart full  
Wally
