Dear Jack,

I received your letter this morning. How's come it didn't come till Wed?

What do you mean conflicting?

I think that is good news, you will have more saved exp. When you come. And then it won't be so hard for you if you don't find a job so quick. Why don't you try to catch up on your typewriting that ought to be a big help.

I'm going to school studying to be a comptometer. I like it, if I get a job and when I get one it will be good. So that \$10 will not be wasted. I wrote to Jim for the money so I ought to be getting it pretty soon. I borrowed the money from Yella till I get it from Jim. I asked him for \$15 because after all I have to have carfare and lunches. So when I hear from

that be swell?

Gosh that sure was nice to be able to talk to you, honey, I was so excited that I couldn't do anything the whole evening.

I don't think I'll answer any ads in the paper for you because they might be flukely and you would come out here and what would you have - nothing. So if you were in town you could look all over.

Well honey, supper is ready and I'm very hungry.

your sweet,
Evelyn

P.S. Thank for the dollar, sweet
It came in very very handy.

him I let you know.

Did any of those Jewish girls make eyes at you? Who did you meet or didn't you? I'm very anxious to know.

As far as coming out for Labor day I think that is almost impossible. Because that is right when the Jewish new year is and if I come out there I'll have to come out to Elyria to go to the Temple, and if you come out here I could be with you all the time just like last time, remember?

This course only takes about 2 weeks and then they guarantee you a job, and once you are a compositor you can always get a job because they are very much in demand. Why listen honey, maybe when you come here you could take it up at night and gosh that would be swell. Fellows make more than girls do any way, and you can type too. Gosh wouldn't
