Darling,

I got your letter and your stamps and I needed them both so bad. It's so nice to get a letter every day from my honey. I read them on the street car every morning. This morning we got a letter from my dad. Jim didn't write anything and no money came either. I can't read the letter because it was written in Jewish. So I'm waiting for Zella to come home to read me the letter. Gosh I don't know what to do about that now. Zella loaned me the money and ~~now~~ now I can't give it to her. Honey please don't send your money because you have to have it to come out here. and the sooner you save it up the sooner you can go. But gosh sometimes I get so discouraged I'd just like to chuck the whole thing and go off by my self where no one can find me. But then

right, darling, when you said that
sweetheart always sticks to-gether. I'll always
stick by you, sweet, no matter what
happens, even if you don't want me
I'll still stick like glue.

Say, you have genius, did you know
that? Where did you learn to make up
such sweet poetry? Don't tell me love
is your inspiration. If that's the case
I hope love is your inspiration the rest
of your life.

You remember last night when I
cut the letter so short. Well Zilla was
hurryng me. She took me to a drumming
game. And of course, I had to hurry.

Say by the way how do you like my
stationary? I seem to have a yen
for Scottie's. I had a waste paper
basket in Dotters too. But that is
back Olyria. I'm just wondering if
they even give you the letter. Gosh
Jim would write me one way or the
other. I'm ~~to~~ worried. Find
out what you can for me.
And then write me what is what.

before I do I always think about you and
how much confidence you have in me.
and oh darling, I do try so hard to please
you because I love you so much.

But gosh I do wish I could get something
to do. I go with out hench now. So I
won't have to use so much money. I have
borrowed 50¢ from Zilla already.

you remember Sat. night what I was
so worried about. or rather Sun morning?
Well every thing is alright, honey, so
you don't have to worry any more.
no, no one came up to arowe us with
that Ford V8, They probably figured that
we didn't need it any way.

I have 22 lessons completed already
but, I'm going very slow because
they are very hard now and I have
to take my time. I don't know how
long those other 8 lessons will take me.
But I've simply got to complete this course
or else — well I'll leave that up to
you.

Honey, you just expressed that

Mylla said that my dad didnt even say
one word about anything that I wrote
and Jim didnt write anything.

Deerlijk I have no more news I
shall close with ten million kisses
Can you take it?

yours always

Erabel
