Dearest Kidies;

Just another letter here this afternoon while I am waiting for all the aircraft to come from the flight. Will so far one came in. There isn't nothing to do around here just that everything are just fine with me here. The shop are going pretty good too. Nothing new that I could tell you.

Sgt. Scuggs went back to the Barber's Point last week and getting another T/Sgt. in his place some time next week So will kind delay a little me going to the Barber's Point. I am leaving here on the 6 July and I should stay in Honolulu about a week and on to the States.

So much for that part and I sure do hope that I will see you all some time next month by this time too. I heard nothing new on the trouble from the home I hope that I hear some pretty soon too.

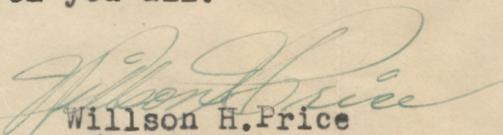

The weather are just fine arounds this place too. Its really spring too. As I said in last letter I have to much gear to take with me. I am sending some from here to Barber's Point and from there I 'll ship some more. This will take care on this part until I do get home I sure hope that it get there without any trouble.

Bennie is here over the week end He don't have much to say no money too. Oh yes that Sgt. Conn I understand that he went too East coast. So this mean that I might end at the hell hole El-Tore.

How the life have been treating you all I sure do hope that youall in the best of everything too. How my little girls coming along. Give them all my love for metoo.

Well I think I 'll go out this afternoon and have fews drinks I have enought for about three, I have not been no place for some time. Aboutt the car that I went to Oaska they want too much for the thing. Its look like that I will have to wait until I get back to the States.
