Dearest Sweetheart,

I guess I can still call you my sweetheart if I want too. I don't know of any reason why a man can't flirt with his wife, Besides you are my Sweetest Girl, your my only Sweetheart and I Love you. and I think that is good enough reason to call you my Darling Wife.

Honey I haven't had any mail yet, I hope you are getting my letters though. Darling these are the longest days of my life. Each day I hope for a letter from you, but I know its no use. I miss you so much Darling, and I dream of you when I sleep. It all ways makes me feel better to dream of you dear. Somehow it makes me feel that we aren't too far apart and that we will be together again soon.

Today is Clydes Birthday, did you remember?
ya he will be 27 and the 22nd is morn
birthday, Am not sure but I think she will
be 54 years old.

I know someone else who is going to
have a birthday next month too. How
old will you be honey? Seventeen or Eighteen?
I know, I'm just teasing.

Its snowing again today but not quite
as cold as usual. I don't think I have
ever seen so much snow before in all
my life. But I haven't been around much.

Letting say hello to all the folks and
tell them I will write them soon,
With all my love, to the sweetest
wife in all this world, I Love you dear.
Your Hubby
Bobbin

P.S. If my thoughts are rambling, don't blame me too
much. I can't think clearly any more. I don't

know exactly what is wrong, nothing really
but so much happens that I seem to
lose track of time and events. I'm not
going Batty or anything like that, I
think as soon as I hear from you and
a few things are cleared up in my mind
I will feel much better about this
whole affair.

Darling be sure to write me
all about what you are doing and
what you have been doing. Because, even
if they don't seem important to you, they
will keep me in closer contact with you
and make me feel so much nearer to you.

I Love you Darling
Robert E. Moore II

P.S. the P.S. is almost as long as the letter Kaka
