Dear Sweetness:

another sweet and wonderful letter from you today. By writing I hear we do talk to one another so please put your thoughts and words in your letters, I look forward to them so very very much. Tomorrow night I'm going to call you by phone just to hear you say you love me. I wish I were with you during these trying days as I know you need someone to confide in. Please do so by letter Darling. If you get the jitters very bad call me up and we'll have a nice reassuring talk. You're so brave Darling Mom and of course I think just so much more of you for that. Please, "Please!" take care of yourself Mom, "You belong to me."

I'll bet your davenport looks wonderful and bright. What a time you're going to have to keep your Pop from getting it dirty. I'll try to be good Mom, I'll listen when you say "mustn't."

No Darling I haven't been leading the boys on about being married, except, I just grin when they tell me, not ask me, I'm married. You don't mind do you Dear? Honey don't be hurt, I was only kidding when I said I didn't know what you were going to do after the war. You know very well what your principal and most important work will be - being my one and only Mom. I want to make you happy Dear then I too can be happy, selfish aren't I?

It has been raining for the past two days and I might add rain is very welcome here. We are still raising our safety record daily but Honey it's getting to be a lot of hard work. Something is up in the wind again here, a large shipment of high ranking non-coms are shipping. I'm afraid it won't be long before your Honey will be going, I believe.

Good-night my Darling and always remember that someone is always thinking and loving you as he's never loved anyone before. Good-night again my "One Sweetness and One and Only Weakness".  
yours forever  
Wally
