This is Sat. nite
(Halbur)

Dearest Darling:

Although it is late, and every-
one else has retired, I can't go to bed
without saying goodnite to my
husband and without telling him
how much I love him. I love
you so very - very much my
darling. I wish you were here so I
could demonstrate, by giving
you the best hugging & kissing
you ever had. "Kisses" my
darling, when you get home will
just kiss all the time, there
will be so much we have to catch
up on. Darling weren't we happy
though. Bill when I think of all
the lovely times we have had
together, it just seems like it
was a dream. Like tonite.
I imagine you being at the

club and I would be waiting
for you at home. How I would
listen for that step on the
porch, and then peace would
come to me, because whenever
you came home, that was all
that was necessary. Darling
I heard a form today about
what a little boy wanted from
Santa. He didn't need any toys
or anything all he wanted was
that his Daddy would be kept
safe for him. I ask for nothing
else ^{but} for your protection
spiritually & temporal. protection
too. And also for mine. Donnie
prays that little pray to the
Angel Guardian so sweet. For
him to be ever at his side.

Boy is he all eyes & ears. Mom had
some last minute Xmas presents
to wrap and showed Donnie out

the parlor, but Don thought he
had to see so he cried, and
asked why he could not see.
They can't understand any
of those things around here.
He can't hardly wait. Judy
was looking out of the window
tonite to see if she could see him.
Don would ride the truck, and
she would stand on behind. she
could let him get ahead away &
then holler, wait, Donnie, wait.
She is so darn sweet. Patsy
had quite a day, she didn't
hardly sleep, but she will sleep
all nite, she just enjoyed
sitting up & watching everyone.
She is just crazy about Don. He
plays with her and she likes
that.

Well I guess I am going to Communion tomorrow morning & so are the rest of the folks. For me and my wonderful husband. May it bring the best of blessing upon us and our children and our loved ones.

I love you sweetheart. V

I got my fur coat out of storage.
It will feel good too tomorrow
morning as it is really cold out.

Bob went to Carroll to get some things
and the most important I hope he
brings a letter from my honey.
You didn't disappoint me did
you honey. I know you won't.

Well Bill I guess I'll go to bed &
sleep with you some more. Darling
he talks about you so very much.
If you could only enjoy your life
with ours, but we will, don't wait.

Darling Mary & her friends
July & Patty.
