Somebody left these
envelopes at the shop and I
took a pair of the other kind so
that's why I'm using these.

But my paper is too big for
them as well. I don't mind

Hope you don't.

So Long, Darling

Dear Sweetie,

This is going to be a mighty short letter, cause I am going to go to Red P.O. 2. Tonight for the first time in about 3 months

I write to some body besides you. Today I got a letter from Margie, & didn't get one from you so I wrote her a real long letter. But since your pretty special I thought

It would hurt me to waste a few minutes on you, You lucky guy you. Oh Darling I don't get a letter from you pretty soon I'll go & cry.

It seems like 3 months since I've heard from you. I miss you so doggone much. The days go by so slow and I never

hear from you. I know it
isn't your fault, and I keep
telling myself. I'll get one pretty
soon. The funny part is
I never believe myself
any more. Right now I'd settle
for any thing even if it was a letter
that went like this

Dear Dorothy,

In obdy. I love you
Love, Joe

How ever I love you more
and more. Please be careful
Joe. and Dont let any thing
happen to you.

I get to get to bed now
Dearest. Not much of a letter
is it. But I'll do better
next time.

I loves you, heap
much. Remember that
Darling,

Yours always
and if you like all ways.
Guess who? me of course
