## WAR ACTIVITIES

CAMP Stevens, Mass

May 31 1918

Dear Sis

Just a few lines to tell you I received the cake and am much obliged for it. I suppose you will be surprised to know that I am in the Hospital now. I took sick the other day after eating breakfast, and I sure felt punk.

The doctors say I have Gastritis, or stomach trouble. You folks need not worry about me because I am well taken care of and get good food. Say Sis, do not send any cake to me until I get out of the Hospital, because I am only allowed to eat certain things but not cake.

Tell Minnie & Anna that I will write to them as soon as I feel a little better. Have you heard from Galt yet? I guess he has reached the other side by now.

I sure am unlucky at this time to get sick and may cause me to miss the company. Well Sis this is a pretty short letter but I really don't know what to

write about just now so I will  
close for this time hoping your folks  
are all well at home.
