Dear Sis,

Just a few lines to tell you I received the cake and am much obliged for it. I suppose you will be surprised to know that I am in the hospital now. I took sick the other day after eating breakfast, and I sure felt punk. The doctor says I have gastritis, a stomach trouble. You folks need not worry about me because I am well taken care of and get good food. Day Sis, do not send any cake to me until I get out of the hospital, because I am only allowed to eat certain things but hot cake.

Tell Minnie & Anha that I will write to them as soon as I feel a little better. Have you heard from Tult yet? I guess he has reached the other side by now.

I sure am unlucky at this time to get sick, and may cause me to miss the company. Well Sis, this is a pretty short letter but I really don't know what to
write about just now so I will close for this time hoping you folks are all well at home.

Your Bro.

Dear Sis.

Just a few lines to tell you I received the cake and am much obliged for it. I suppose you will be surprised to know that I am in the Hospital now. I took sick the other day after eating breakfast, and I sure felt punk.

The doctors say I have Gastritis, or stomach trouble. You folks need not worry about me because I am well taken care of and get good food. Say Sis, do not send any cake to me until I get out of the Hospital, because I am only allowed to eat certain things, but not cake.

Tell Minnie and Anna that I will write to them as soon as I feel a little better. Have you heard from Gult yet? I guess he has reached the other side by now.

I sure am unlucky at this time to get sick and may cause me to miss the company. Well Sis this is a pretty short letter but I really don’t know what to
