AMERICAN

ON ACTIVE SERVICE
WITH THE
AMERICAN EXPEDITIONARY FORCE

July 26 1918

Dear folks:-

I Received your letter with news of Ralphs bad luck yesterday but hope it is not serious. I have done everything within my power to find out particulars in the matter & if I can find out where he is located I will do my utmost to go & see him. I have sent one letter through our colonel to the commanding officer of Ralphs regiment & as it will go through military channels as official business I should receive an answer very soon. I also had the chaplain of our regiment send a personal letter to the chaplain of the 2nd for information. I, myself wrote

one to A.E.F. Headquarters at
Paris to find out what hospital
he is in. Some of these sources
ought to bring some information.

I just came back to camp
yesterday from a weeks trip
about a hundred miles to the
rear where I had a fine time
& a good rest. Am well & hope
this reaches you the same.
Will write all news I get of
Ralph. No farther news I will
close with love

Wes
