Darling:

Just got up but am still tired but happy. Happy because I received two sweet letters from my sweet Moms. I'm reading them again so will answer some of your questions. Darling should I ever leave you I too will have a part of you with me. You can never leave me now dear, we belong to each other. So you told your "ex" that you're in love with me. I don't mind Darling because you could not hide it from him even if you wanted to. You love me and I love you, isn't it wonderful !!!

It's still cold but not as cold as it was yesterday. This night shift is rough with a capital "R". The section is still getting along very well and our safety record is approaching the 50,000 hour mark. Today I made out a card as to my wishes concerning staying in the Army or leaving it after the defeat of Japan. Of course I said I

wanted to get out. I have plans for a future with a certain young lady in Los Angeles and the sooner I get started the better for both of us. Have you ever met my Darling? Look into a mirror and you shall see her.

Must leave you now and go to
chow. No doubt we will again have some
delicious G. I. food which I doubt the
logs would relish. We have a steak
date early in June, haven't we? Be my
sweetheart always Moms as I am and
always will be. Kisses and hugs to you
Dear. Remembering and believing in you

Lovingly

Wally
