Dearest Darling-

Hi Hon how are you and everybody tonight. It is now 8 o'clock and I just came over to the office from the show. It was a very dramatic picture with Charles Laughton and Ella Raines. I won't even have time to think about that. Do you suppose you could interest me in something else. I'm positive you could now.

I missed getting a letter from you today now but I did get one from Babe. I'll bet I have
