Florence Dear:

Finally received a most wonderful letter from my dear. I really should frame this letter, it's a gem in love expression. Some day when we are together permanently I will read it to you myself and compare your feelings then to the ones expressed now. When you write so sweetly always remember that I do and always will accept your love as being so. My love for you is no less in feeling but less only in written expression due to a weakness, in the literary field.

Sent four more men to B-32 school in San Diego. My flight is very short of men which makes the remaining men work harder to accomplish the same amount.

That probably is the reason why I'm tired after working my shift. It seems I haven't a minute to myself anymore. You probably have noticed that I don't write my letters during working hours. I'm afraid I fear that a change is coming very soon and when it does it most likely will be sudden.

Tell your Mom & Dad that it was a pleasure and an honor that I could take them to dinner. I felt wonderful taking them to dinner since I have no parents. I pretended they were mine and someday I hope to be classed as their son when I claim their Darling daughter. Incidentally you can tell them I'm not broke.

Really Darling I can't do justice writing about my love for you so if you don't mind here

is a verse that does better;
you are always in my heart
Even tho' you're far away
I can hear the music of
the song of love I sang with you.

You are always in my heart
and when skies above are gray
I remember that you care
and then & there the sun breaks thru'

Just before I go to sleep
There's a rendezvous I keep
and the dream I meet
Helps me forget we are far away.

You are always in my heart
Darling, always. Before I fall
asleep my last thought is always
of you. Your love keeps me warm
and happy. Before meeting you I
was very pessimistic of the world
and the future but now I'm be-
ginning to brim full of optimism.
The world is brighter, there is

someone and something tangible
to plan and work for. To make
life beautiful and happy. Happiness,
it seems, can be found only in
the love and adoration of two people
for each other. Moms, plan for the
future with me. "You are my future
as I am yours."

Good-night Honey-child,
dream of me!
